Lindy's New York to Paree

May 20th, 1927

In an aerial hop,
A world famous non-stop;
From New York to old gay Paree,—
It had to be done
By our Native Son,
'Twas done by our daring Lindy.

All alone in his plane,
On this aerial lane.
Like a Mother ne'er to falter;
They called him a fool,
He was just out of school,
When he flew all the ocean o'er.

He went it all alone,
Through this aerial zone,
Ev'ryone thot that he'd blundered.
All thru this great space,
He went on with the race.
In miles flew thirty-six-hundred.

He'd one intuition.
Go on with this mission
To him it just had to be done.
So with just a bite,
He flew through the night.
This daring American Son.

So he flew very high,
Through foggy, cloudy sky.
Gamblers betting then ten to one.
He fooled the whole bunch,
And went on with his hunch
Till in Paree landed our son.

'We've done it, 'just our bit.
Said the ace with the grit.
Then they carried him shoulder high.
Not a flying fool.
Tho just out of school.
He won to be ace of the sky.

Merry Christmas and Happy New Year

In complete happiness
At a treat we all bless
Just a Merry Christmas party.
Remember those we
Cannot present see
Sitting here drinking wines cheery.

As New Year comes to you
The welcome time a-new
Renew life be full of good cheer
May in life sunshine
Through every happy year
And Merry Christmas so divine.

(Piano part, over.)
(Each verse fits.)

Good wishes cheer to all
Happiness is our call
For we are the Christmas hearts true.
Through years tho a-part
May all folks always to
The Christmas thoughts keep in
their heart.

May all ever be blest
By the good we request
When prayers are answered each day.
Sorrows pass away
With the happy days here
Merry Christmas and Happy
New Year.
